Pantry, Larder, Cellar  
Lunch

## *Pantry, Larder, Cellar*

Inspired by tradition and practicality, the dying agricultural art of preserving food throughout winter months has been fostered back to life in our new menu – Pantry, Larder, Cellar.

Canning, pickling and drying the abundance of root vegetables, grains, beans and nuts has captured the essence of our organic farm while maintaining the life of our crop. Our seasonal menu re-acquaints us with the feelings of freshness, sunshine and harvest year-round.

We hope you enjoy.
